Have You Ever Wondered...

Where could your career take you if given an **INTERNATIONAL OPPORTUNITY?**

What It's Like to Work as an Intern in Sydney?

Sydney is Australia's financial and business hub, famous for its tourism, world-class education, cultural diversity, and international events. With its high standard of living & global opportunities, it's one of the world's most livable cities. Interning in Sydney offers professional growth, mentorship from global experts, and a friendly, diverse work culture. Beyond career development, the city's vibrant lifestyle and balance between work and leisure make your internship truly rewarding.

Internship at RNS Services

Our internship program bridges the gap between academics and professional experience. It offers students, graduates, and career changers hands on exposure, mentorship from global industry experts, and real-world projects that build confidence, skills, & career readiness.

INTERNSHIPS

INTERNSHIP PROGRAM ROADMAP

We offer internships for a minimum period of three months, providing a structured learning experience. However, the program is flexible and can be tailored to suit the schedules of students and working professionals. Please note that participation of less than two days per week is not permitted to ensure meaningful learning and project contribution.:

Orientation Phase

Interns are introduced to RNS Services, workplace culture, company policies, & multi-ethics & cultural. This month also includes initial training and career development sessions, and practical learning

Research & Learning Phase

Focus on extensive research in the chosen field, building theoretical knowledge, & preparing for practical application.

Project-Base Learning Phase

Apply your skills to real projects, work under mentor guidance, and gain hands-on experience that prepares you for future career opportunities.

Why Do Top Colleges Choose Our **INTERNSHIP PROGRAM?**

Leading universities, including:

ICMS (International College of Management Sydney)

Torrens University

Notre Dame University

Sheffield Hallam University

Turiba University

University of Surrey

University of Kent

Choose our Internship Program to provide their students with comprehensive hands-on industry experience, valuable practical skills, and meaningful national and international exposure that prepares them for global career opportunities and professional growth."

PROGRAM HIGHLIGHTS:

COUNTRIES:

We offer job and internship placements in global destinations like the UK, Canada, the US, Nepal, and more, based on availability and suitability. These opportunities provide exposure to diverse work environments and international professional standards.

INDUSTRIES:

Interns gain hands-on experience in key industries like Business Consulting, Aviation, Human Resource Management, & IT. Each internship is designed to offer practical learning, professional growth, and global exposure, building a strong foundation for long-term career success.

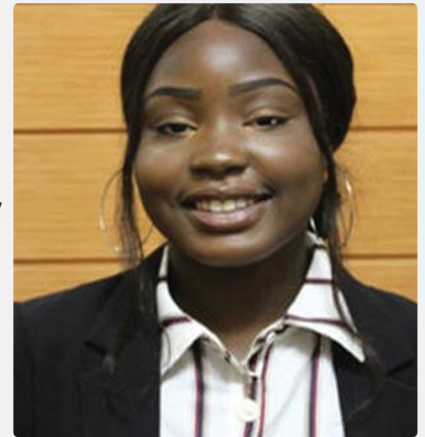

What are the placement opportunities after an Internship?

Upon successful completion of the internship, deserving candidates may be offered job placement opportunities with partner organizations in both local and international markets. This pathway helps interns transition smoothly from training to employment, enabling them to apply their acquired skills in real-world roles and establish themselves as competent professionals in their chosen fields.

INTERNSHIP STORIES

1. OLAJUMOKE BELLO

My time at RNS has been incredibly rewarding. I've strengthened key skills like presenting and researching, and the supportive team made the experience even better. Living in Australia helped me grow personally and culturally. I highly recommend an RNS internship for its international exposure, skill development, and meaningful experience.

2. ALASDAIR JAMES BENNETT

I'm very happy and grateful for my experience at RNS. It has boosted my confidence and personal growth, helping me trust my own decisions. This valuable experience has greatly contributed to my career development and will guide my future choices.

3. MWAKA HACHUNGULA

Undertaking this internship helped me identify and develop my strengths & weaknesses. With some of the projects that I completed, I was given feedback by my supervisors on which I would then apply to my task. For each task that I worked on, I was able to note my strengths & what I could improve on. Internship progressed, I learned that I had gained more confidence in myself, working in a team, & becoming adaptable to my new environment.

INTERNSHIP STORIES

4. EVIE- MAY KILBY-TYRE

I had an amazing time interning at RNS Services. Everyone was welcoming, friendly, and always ready to help. The experience taught me how the professional world operates and gave me confidence for my future career. I couldn't have asked for a better place to learn and grow!

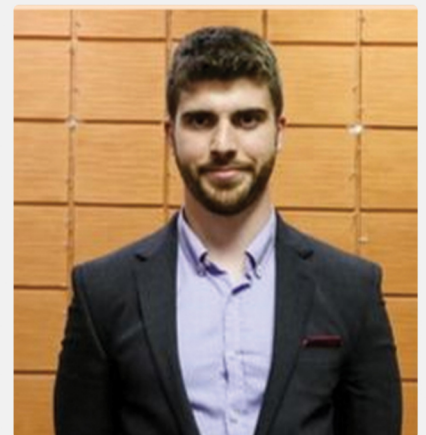

5. SAM GALLOWAY

My time at RNS Services helped me understand the professional world better. I learned how to communicate confidently, manage tasks, and work as part of a team. The experience really boosted my confidence and gave me a clearer idea of what I want to do in the future.

6. CHRIS GRIEVE

This internship, as it stands, has already changed me for the better as a person, and I wish to see it continue doing the same thing for those who will follow after me. Overall, this has been an experience of a lifetime and I would recommend it to anyone, and students wishing to grow as a person whilst also looking to start their adventure in Australia.
